

Screen Reading Angle Adjustment_UPOS-211

屏幕角度调整_UPOS-211

1. Take UPOS-211 from the carton box, put it onto the counter table.
从包装箱中取出 UPOS-211 主机，放置在桌面上。

2. Adjust the 1st hinge on stand base. Use left hand to press the stand base, and push the screen to the highest position (~ 60°) by your right hand.
调整底座上的 Hinge 角度. 用左手压住底座, 右手把屏幕推到最高限位 (约为 60 度).

3. Adjust the 2nd hinge on screen. Use left hand to press the neck of the stand, adjust the screen by your right hand. Adjust the screen angle to the best comfortable viewing experience.

调整屏幕上的 **hinge** 角度. 用左手扶住底座的脖子, 用右手扳动屏幕角度. 根据您的需求精细调整, 以达到最舒适的视角.
